

*December 5, 2013—Thank you to David Boyd and The Boyd Wealth Management Group—BMO Nesbitt Burns for once choosing Hiatus House to benefit from your annual movie night event.*

At this annual event The Boyd Wealth Management Group invites clients to enjoy a classic Christmas movie on the big screen. Clients are treated to popcorn and beverages and in turn they bring unwrapped toys that are donated to the children at Hiatus House. It's a fantastic event that embodies the true spirit of the holiday season. Over the eight years Hiatus House has received hundreds of toys and gift cards for the residents at the House as well as hundreds of dollars in monetary donations. Thank you so much to David, Renata, Sherone and all the clients that have made this event such a success over the years.
